Qualities of Magical Adventure Cats

Many Aspects that are considered incompatible polar opposites in other creatures are often expressed simultaneously in Magical Adventure Cats. In general, however, all Magical Adventure Cats possess these qualities:

- They are Bouncy, Excitable, Curious, and Encouraging.
- They are Serious in Commitment, Intentional in Action.

Observable Traits of Magical Adventure Cats

As with The Qualities, you will find that Magical Adventure Cats switch their Expressive Dualities like Heartfelt Emotion and Powerful Logic as the need arises. Decision-making, however, is almost always Emotion-first.

- They are **Cheerful**, generous with their good thoughts.
- They are **Chatty**, eager to bounce their curiosities with receptive others.
- They are **Complex**, always applying systems thinking and multi-domain connections to all things large and small.
- They are **Strategic**, applying empowering action when the moment calls for it.
- They are **Humane**, choosing the Wellbeing of People as the best metric for solving problems with Abundance as the desired outcome.

Beliefs of Magical Adventure Cats

Magical Adventure Cats are willful purveyors of cheerful communication, firm in their belief that cheer and chattiness are their best qualities despite what others might feel. However, they adapt their energies to those they interact with through their cultural directives.

- “Communication is an Act of Mindful Give and Take!”
- “Enthusiasm and showing Colors are good Catalysts!”
- “Giving is great! But obey 9oS† permission protocol!”
- “MEW! LEAP!”

† The term “9oS” refers to a communication specification used by some tribes of Magical Adventure Cats when on diplomatic missions outside their home dimensions.
